2021 Mystery is starting in January!

"Concealed in Colorado"

Inspector "Clu-Sew's" 2021 Mystery Quilt will be starting in January. Choose from two sizes and two setting options to create a beautiful surprise upon completion. Each month for 6 months you will receive a clue that presents cutting and piecing instructions for a portion of the quilt. In the final month, the setting options will be revealed to complete the quilt.

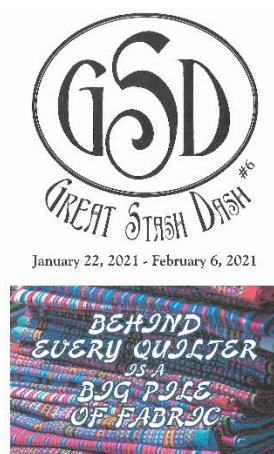

First clue is available January 1st. You must pick up your "clues" in each calendar month! Once the month is past, those instructions will not be available! The finished size before adding the optional borders is 48" x 60" (border option is 6") or 64" x 80" (border option is 8").

This is a 3-color quilt. There is no class fee, but fabric purchase is required. As with all our classes, a 15% discount for class materials is given. "Clues" will be for PICK-UP at QGS only! NO MAIL OUTS!!

Call the Shop to sign up today.

Fabric requirements will be available upon sign up.

2021 THE GREAT STASH DASH RETURNS!

January 22, 2021 through February 6, 2021

The Dash will be 16 days long to give you additional time to get to all shops. When you stop in with your Dash Bag and Passport you will receive 15% off your entire purchase, a coupon to use at a later date, and when you bring your bag in on the 5th Saturdays of a month (there are 3 additional days in 2021), you will receive the 15% discount on your entire purchase again!

This is the 6th year of the GSD and we are changing it up a bit! Instead of purchasing a new bag with your Passport, you can reuse one of the previous 5 bags. Just bring in your previous bag to get your free Passport. If you do not have a previous bag, you can purchase it from a participating Shop for \$10 and receive your Passport.

WINTER WEATHER POLICY

As we approach the winter weather season, we are thinking about methods of deciding and communicating any closures. If the weather is threatening (warnings, advisories, etc.) it is always best to call the Shop (815-397-5160) first to make sure we are open. Because of these unusual times due to the COVID virus, we are not sure that we will be able to use our long-established policy of following the Rockford School District decision on closure due to the weather. And bad weather could also result in an early closure of the Shop.

We want everyone to be safe and not take any risk with travel. We will change our answering machine message to reflect any closures. We will also use Facebook and our website to post any notices on weather related closures. So please call first.

GIFT CERTIFICATES AVAILABLE!

Lots of Holiday gift items available! And as always, a Gift Certificate is perfect for that special Quilter in your life!
