# Patchwork Paradise Newsletter

May 2017

## 40% CLOSING DOWN SALE BEGINS TUESDAY 2<sup>nd</sup> MAY

(min. fabric cut 0.5m. Excludes wadding, Quiltworx TOM Patterns & kits,  
Thread Club and items already on Sale)

Loyalty cards can be redeemed but not signed off on sale products.

To Our Valued Customers, Friends and Families

I wish to advise that I will be closing Patchwork Paradise at 4.30pm on Friday 30<sup>th</sup> June 2017.

Everything must go.

I appreciate all the support that you have given me and my team for the past 11 years. Unfortunately, with the uncertainty in the current economic climate it is not possible for me to continue trading. I am traveling away from the shop more and more, teaching at Workshops and Shows which I will continue to do.

From Tuesday 2<sup>nd</sup> May, everything in the shop is 40% off excluding Wadding, TOM Quiltworx (Patterns and kits) along with Thread Club, until I close. The minimum cut of fabric will be 50cm.

Loyalty cards are no longer being signed off on Sale Items and if you have one that is to be redeemed please do this before the end of May. Also, any outstanding Gift Vouchers must be redeemed by 31<sup>st</sup> May 2017.

Any Block of Months that are still outstanding will be given the option to receive the 40% off if the remaining blocks are taken, otherwise, I will charge as per previous amount.

I will be stocking a basic range of haberdashery and basic range of fabrics along with batiks so I will only open by appointment when I am in Rockhampton, this will not start until August. A new phone number and address will be made available in next month's newsletter.

Thank you for your support.

Margaret
