

Anything Goes Supplies

The pattern was named 'Anything Goes' as it looks great in just about any fabric! There are four different sizes: Large Table Topper – 26"; Medium Table Topper – 23"; Small Table Topper or Place Mat – 17-1/2"; and Extra Small Table Topper or Charger – 15-1/2". My samples are the Large and Extra Small sizes. There is no binding on this project, just a **few** hand stitches, some top stitching and you're done!
