

Bitsy Box Supplies

The Bitsy Box is tiny, very tiny! It measures 2-1/2" square! Yes, these are tiny **BUT** are so much fun to make you won't want to make just one. They are as addictive as potato chips! The size can be changed very easily also. There is a zipper and don't freak out because Victoria will take the fear of zippers away (so much easier than when we were in Home Ec all those years ago. These will make wonderful gifts for almost everyone on your list: earbud storage, small gifts for a girlfriend, toys for the child in your life, and many more.

Scraps are a great source of fabric for these.

For each Bitsy Box you will need:

for tabs

OTHER SUPPLIES:

1 each zipper at least 9" long (for ease of inserting)

Sewing Machine Bobbins, Regular Sewing Foot, Power Cord, Foot Pedal, Manual

OTHER USEFUL ITEMS:

Small Cutting Mat
Small Iron

CLASS PREPARATION:

No need to pre cut anything prior to class but you may wish To bring Supplies for two or three boxes as you'll probably have plenty to time in class.

The author noted that she could make 2 Bitsy Boxes from 1 each 14” zipper as long as she had extra zipper pulls to add for the second half of the zipper.
