Description: This is the third update making this pattern. It now includes Judy and Brad Niemeyer newest techniques and is expandable.

What You Will Learn in This Class: Judy Niemeyer's unique Organization, Stacking and Cutting Techniques, Floating Points, Paper piecing templates and tutorial, and curved piecing.

Size: 62" diameter – can be expanded to 70" or squared off.

Fabric: Prior to the introductory session, review the pattern and select the required fabric.
