

Dog Beds Supply List

Have you ever wondered what could be done with your scraps and threads? How about making a dog bed for your sewing room or RV? This is the class for you. You will start and finish your dog bed in class. Depending on the size of your dog will determine the amount of supplies you will need. The process is still the same. You can make a small bed for a small dog or cat.

Supply list:

- Working sewing machine with manual and walking foot or zigzag foot
- scissors, thread, needles, pins
- Square ruler with a 45' angle printed on it
- 2 yards of fabric that contrast- I find fleece works best for animals but not a must

Scraps- more than you think you need. This will be filler for your bed.
Old pillow that has been laundered.

You can buy a bag of scraps from your teacher for \$5, depending on the size of pillow you are making you may need 2 bags.
