New Classes

Baby Steps Victoria Jones	Saturday January 17	10:30-4:30 \$45.00
--	--------------------------------------	-------------------------------------

Baby Steps is a modified Original Beach Crawl for special little folks (or a great wall hanging). The blocks have been resized down to 4" size for a perfect smaller sized quilt. Using simple, fail proof curves for the waves, easy fusible appliqued turtles, and a selection of fabrics, you're ready to join the beach crawl.

Riptide	Saturday	10:30-4:30
Victoria Jones	January 24	\$45.00

Choose fabric in three different values, light, medium and dark. The trick is to make sure your light fabric IS light and cannot be mistaken for a medium or dark value. Make sure your medium fabric IS medium and cannot be mistaken for a light or dark, and the same goes for the dark. I chose to use a mix of fabrics as listed in the yardage requirements however, you can choose just three different fabrics, one light, one medium and one dark.

Batting Choices and Quilting Lecture	Sunday	1:00-4:00
Victoria Jones	January 25	\$25.00

The choices for that fluffy layer between your quilt top and backing have multiplied! Do you want puffy or flat? Cotton, polyester, or wool? I'll explain the differences between the different types of batting and which one is right for every project!

Hyperspace	Wednesday	10:30-4:30
Victoria Jones	February 4	\$45 + \$5 kit fee

While making the Hyperspace quilt, you can play with color to create a dimensional effect in your quilt! This modern quilt pattern includes instructions to make two sizes, one is a wall-hanging, and the other is a snuggle-sized quilt. The foundation pieces are included for the wall hanging. The download link for the foundation pieces for the large size is included but must be printed at your expense.

Mini Paper Piecing	Friday	10:30-4:30
Victoria Jones	February 6	\$45 + \$10 kit fee

The Scrappy Triangle and Half-Rectangle patterns may be used together to make a larger project using one, two or all three of the sizes as they were designed to work together. The Mini Series by Giuseppe Ribaudò may be made from 4" square to almost 8" square.

Ranges	Tuesday	10:30-4:30
Victoria Jones	February 10	\$45.00

The Ranges Quilt is an updated version of my original quilt pattern, Range. Ranges can mean a mountain range in the distance or a range of complimentary colors. The designer hopes you enjoy the process of making this quilt as she did. Ranges has two template sizes to create multiple sizes to create multiple size projects. Quilt sizes range from pillows, crib, throw, twin, and king bedsize.

Learn to Quilt	Wednesdays	6:00-8:00
Marcie Walsh	Feb 11, 18, 25, Mar 4, 11, 18, 25, Apr 8	\$160.00

Interested in learning how to quilt? From tools, fabrics selection, cutting, piecing, and more, we will teach you all you need to get started. But be warned, once you start quilting, it may be difficult to stop!

Beginning Quilting	Wednesday	1:00-4:00
Victoria Jones	Feb 11, 25, Mar 4, 11, 18, 25, Apr 1, 15	\$175.00

This seven session class covers the basics of quilting from what tools and how to use them, picking fabrics, creating seven different blocks, adding borders, creating your quilt sandwich, and basic quilting techniques.

No Scrap Left Behind Crumb Quilting	Friday	10:30-4:30
Karen Bachofner	February 13	\$45.00

Bring your scraps and get ready to sew and learn the techniques and tricks of Crumb, Improv and Crazy quilting. We will be making lots of blocks using our scraps. The possibilities are endless. Lots of patterns and ideas to share in class and lots of patterns to take and make at home. Join this fun filled workshop and forever change the way you look at scraps!!

Improve Your Quilting Tips & Techniques Victoria Jones	Sunday February 15	1:00-4:00 \$25.00
---	-------------------------------	------------------------------

This class is designed as a lecture format. Victoria will share information on how to improve your cutting, pressing, and piecing techniques. This is designed to share ways you may have already known and forgotten or never heard before to make your stitching better and more accurate.

Pudgy Buddies Embroidered Stuffies Elizabeth Riffey	Saturday February 21	10:30-4:30 \$45 + \$15 kit fee
--	---------------------------------	---

Join us in creating cute and cuddly stuffies made from ultra soft minky! In this class you'll learn how to work with minky and use applique techniques to make stuffies that are made (almost) completely in the hoop! Kit fee goes toward materials and USB with embroidery files used in class. Supply list has all the materials needed for class and what is included.

Triangle Peaks Karen Bachofner	Friday February 27	10:30-4:30 \$45.00
---	-------------------------------	-------------------------------

Triangle Peaks is a modern contemporary triangle quilt that is fun and easy. When you know the tips and tricks for perfect triangles no matter the size, this will be a fabulous quilt that is quick and you'll want to make more than once. Join us for a day of inspiration and creativity while creating your own one of a kind quilt.

Mitered Corner Techniques Victoria Jones	Sunday March 1	1:00-5:00 \$35+\$15 kit fee
---	---------------------------	--

You will be making practice samples of mitered corners and learning tricks for making and turning corners. There will be BOTH outward miters such as you would use for borders on a quilt and inward miters for creating a napkin or tablecloth with no exposed seams.

Nest Collage	Tuesday	10:30-5:30
Victoria Jones	March 3	\$45.00

Whatevers! are 8” x 8” collage blocks that you can turn into runners, potholders, tiny quilts or continue making the designs for a larger collage quilt! If you have ever wanted to do one of Laura Heine's Collage Quilts this is the perfect class to ‘get your feet wet’ and try the process on a small, simpler design.

Rope Baskets & Bowls	Friday	10:30-4:30
Victoria Jones	March 6	\$45.00

In this popular class you’ll learn how much fun it is to make unique baskets, bowls, bags, and mats from your stash and cotton clothesline. The technique is so easy and quick you’ll be amazed! In class we will be creating a small project so you will become familiar with several different techniques and then you'll be able to create your own project with confidence.

Surf Wave/Selkie	Tuesday	10:30-4:30
Victoria Jones	March 10	\$45.00

Escape to the beach with our sea-glass inspired quilt! Selkie, with its beautiful sea-glass shades of blue and green, was inspired by rolling ocean waves. It's the perfect size to bring along to your favorite beach, or to snuggle up with and get lost in your favorite novel! This Project is both layer cake (10"squares) or fat quarter friendly.

Turning Points	Friday	10:30-4:30
Victoria Jones	March 13	\$45 + \$5 kit fee

A new twist on flying geese in the form of Prairie Points! These three projects use simple paper piecing to make a crowd pleasing circle of three-dimensional flying geese. The three projects are a Pillow (or small wall hanging) 17-1/2” square; Mug Rug 6-1/2” square; and Pincushion 4” square. The small wall hanging I created as my sample finished at 24” square and includes a pieced border to reflect the flying geese.

Intro to Machine Embroidery
Elizabeth Riffey

Saturday
March 14

10:30-4:30
\$45 + \$10 Kit Fee

New to machine embroidery? This complete beginners class will help explain all the basics you need to know such as thread, stabilizers, designs and techniques, as well as complete a few basic projects to help boost your confidence with machine embroidery! Bring your embroidery machine, hoops, manual, and a basic understanding of your machine to practice 5 different embroidery projects!

Continuous Binding Techniques
Victoria Jones

Sunday
March 15

1:00-4:00
\$35 + \$15 kit fee

This is a technique class where you'll practice creating the binding strips for doing a double fold continuous binding for a quilt, wall hanging, or table runner. There will be practice for right angle corners and those pesky corners with angles that are NOT right angles (lots of table runners have these). All fabrics will be provided by the instructor.

Intro to Paper Piecing
Marcie Walsh

Saturday
March 21

10:30-4:30
\$45 + \$2 kit fee

Whether you've thought about foundation paper pricing, but didn't know where to start, or you've never heard of it and want to find out what it is, or you're not sure if it's for you, join us for this class and find out. We'll show you some of the basic skills you'll need to get started. You'll be precision piecing like a pro with this paper piecing skill builder class.

Color Theory and Quilting
Elizabeth Riffey

Sunday
March 22

1:00-4:00
\$30.00

Color theory encompasses a multitude of definitions. In this lecture formatted class, we will be learning about the three main categories of color theory: The color wheel, color harmony, and the context of how colors are used. If you have trouble picking out colors or want to expand your knowledge on color theory, this is the class for you!

Fierce Ladies	Tuesday	10:30-4:30
Victoria Jones	March 24	\$45.00

Fierce Ladies is a ‘doll house’ representation of the beautiful Victorian houses in San Francisco known as The Painted Ladies. Each house on the hill is covered with gingerbread trim in a riot of colors. I made my project 18” x 33”, pattern is 18” x 24” (Painted Ladies project is 60” x 72” and has much larger houses).

Phase	Friday	10:30-4:30
Victoria Jones	March 27	\$45.00

The Phase Quilt is a lunar inspired medallion quilt. Using two block styles, half square triangles and curve blocks, this intermediate level quilt comes together quickly.

Tutti Frutti	Tuesday	10:30-4:30
Victoria Jones	March 31	\$45.00 + \$10 kit fee

This is a great paper-piecing project; it will finish in an octagon shape and would make an unusual wall hanging or table topper. The finished size is 28" x 28". The techniques learned in this project will include paper piecing, and while you will not finish the project during the class we will discuss how you will be able to finish it yourself later.

Pockets to Go	Friday	10:30-4:30
Victoria Jones	April 3	\$45.00

Use this handy organizer next to your sewing machine, on your desk, or in the bathroom to keep everything at your fingertips. Pop the long organizer into a purse or tote bag, and you're ready to go. There are two sizes included in the pattern: Cube – 6" wide x 6" long x 5" high; Long: 12" wide x 4" deep x 5-1/2" high. There are two outside zipper (easy to insert) pockets and many inside pockets in addition to empty space in the center of the organizer.

Utility Quilting
Karen Bachofner

Wednesday
April 8

10:30-4:30
\$45.00

In this workshop we will learn a quicker more relaxed approach to hand quilting. This stress free modern hand quilting method uses simple all over designs, bigger stitches for faster results. Perfect for contemporary quilters who want the satisfaction of hand quilting without the time commitment. We will learn how to sandwich our project with the easiest most secure techniques. Learn various ways to mark our quilts for quilting and big stitching, creating, and using templates. Sewing our projects and learning all the ins and outs of utility quilting with various choices of threads. Hand quilting for stress free, big stitching, satisfying, quick and easy fun!!

Little Quilts Squared
Victoria Jones

Friday
April 10

10:30-4:30
\$45.00

Little Quilts Squared is a fun calendar collection made with Woolies flannels to keep up and change out year round. Use machine applique techniques to make these adorable 12" finished quilt squares. Hang them individually or put them together for a full calendar quilt.

T-Shirt Quilt Blocks
Marcie Walsh

Saturday
April 11

10:30-4:30
\$45.00

Have you ever wanted to make a quilt of memories? T-shirt quilts are a great way to do just that. They can be created for a number of reasons; for a graduation gift, a tribute to someone that has passed, or just a way to make use of some vacation or concert shirts you've collected over the years that may no longer fit. In this class, you will learn how to stabilize your T-shirts to make quilt blocks, and make some filler blocks, to accommodate T-shirt prints of different sizes. NOTE: Please bring T-shirts of no sentimental value to you (like from a thrift store) as this class is to learn and practice the proper techniques.

New Leaf	Tuesday	10:30-4:30
Victoria Jones	April 14	\$45.00

This is a fun table runner great for a Spring or Summer picnic table. The curves are gentle and easy to stitch. Have fun mixing fabrics for a fun project.

Elephant and I	Saturday	10:30-5:00
Victoria Jones	April 18	\$45 + \$10 Kit fee

A fun project to create a family of elephants (dad, mom, and baby) or showcase just one on a pillow, tote, or small wall hanging. There are also a male and female figure to add to the scene. The elephants are paper pieced and may be done colorfully from scraps or with shades of more realistic colors. This project will give you a chance to create your own design if you wish. My sample is different from the actual pattern.

Piping and Flanges Techniques	Sunday	1:00 - 5:00
Victoria Jones	April 19	\$35 + \$15 Kit Fee

You will be making practice samples of corded piping and flanges for use as embellishment in your projects. We'll also discuss creating the piping from bias strips and practice techniques for creating truly square corners. In addition, we'll make a few covered buttons – a great way to spark up a shirt, bag, or tote.

Atomic Starburst	Wednesday	10:30-4:30
Victoria Jones	April 22	\$45 + \$5 kit fee

The Atomic Starburst quilt is made by combining foundation paper pieced Starburst blocks with traditional piecing for a vibrant, mid-century modern quilt.

Hot & Heavy Iron Caddy
Victoria Jones

Friday
April 24

10:30-4:30
\$45.00

This tote will hold your iron when you travel. When you're ready to iron open the tote and it becomes a convenient pressing surface. Now, when you're ready to go home from your class or retreat you can place the hot iron on the pressing surface, fold up the sides of the pressing surface, fasten the sides and you are protected from the hot iron.

Flying Geese Five Ways
Victoria Jones

Sunday
April 26

1:00-4:00
\$35 + \$15 kit fee

Take the fear out of Flying Geese with this technique class. Victoria will show you how to create Flying Geese using FIVE different methods so you can find the one that works best for you! You'll be able to identify where the trouble spots are and how to get the results you've always wanted.

Feathers
Victoria Jones

Tuesday
April 28

10:30-4:30
\$45.00

The Feathers quilt, first published in 2013, is one of the original and most beloved Alison Glass patterns. Co-authored with Nydia Kenhle, Feathers is a classic Alison Glass block design with a lot of possibilities. This new 2021 version includes a gallery of quilts to illustrate options and provide inspiration. The Feathers pattern uses paper piecing to create the blocks. It includes 14 block templates and detailed instructions with full color illustrations.

Centrifugal
Karen Bachofner

Wednesday
April 29

10:30-4:30
\$45.00

In this workshop you will have fun putting these straight lines and curves together to create this original block and quilt. Looks difficult but once you learn the construction and how easy the curves come together the quilt goes smoothly and easily creating a one of a kind keepsake. Join us for a day of tips, tricks and lots of fun.

Mastering Borders
Victoria Jones

Sunday
May 3

1:00-4:00
\$25.00

This class will delve into the mysterious realm of quilt borders. Do I have to do my borders just like the pattern? How do I decide how much or how many border(s) to add? Why do my borders get 'wavy'? How do I determine how much fabric to purchase? These questions and more will be addressed during this session. This is a lecture/demo class and you will not need to bring anything other than your desire to learn about borders. Bring your questions and/or information to share.

Circling Around
Karen Bachofner

Wednesday
May 6

10:30-4:30
\$45.00

These pieced circles are perfect for this modern quilt. Choose some amazing color combinations or use your fabulous stash. A lot of fun to make these curves easy and perfect every time when you know the right techniques. Big blocks and quick construction make this a fun project for skill and creativity. This pattern has 4 quilt sizes to choose from.

Landscape/Seascape

Wednesday
May 13

10:30-4:30
\$45.00

Have fun with this technique. The curves are VERY easy to do and quite freeing- no matching of seams! Enjoy using different yarns and decorative threads during the creative process.

Fat Quarter Pop Up
Marcie Walsh

Saturday
May 16

10:30-4:30
\$45.00

This is a fun, quick project that can be used for many things: garbage in the sewing room or car, cord catcher for your electronic 'gear', a general 'catch all', etc. The Stacking Pop-Ups are created just a little differently and can use a second fabric for the liner; the sizes are 8" Medium, 10-1/2" Large, and 14" Extra Large. These larger pop-ups could be great for yarn, toys, and/or a small laundry basket. All of the pop-ups will flatten and can be secured with either an elastic band or strap for easy storage.

Intro to Machine Applique
Victoria Jones

Sunday
May 17

1:00 - 5:00
\$35 + \$15 Kit Fee

Complex looking appliqué is fast and easy using fusible appliqué methods. You'll learn about the methods and materials that make this technique a favorite medium for quilters of all levels!

No Scrap Left Behind
Crumb Quilting
Karen Bachofner

Wednesday
May 20

10:30-4:30
\$45.00

Bring your scraps and get ready to sew and learn the techniques and tricks of Crumb, Improv, and Crazy quilting. We will be making lots of blocks using our scraps. The possibilities are endless. Lots of patterns and ideas to share in class and lots of patterns to take and make at home. Join this fun filled workshop and forever change the way you look at scraps!!

Crimson Christmas
Victoria Jones

Friday
May 22

10:30-4:30
\$45.00

Give your Christmas decor the wow factor with these oversized poinsettia blooms. The asymmetrical design gives a contemporary nod while the depth and richness of color bring an elegance to any space. This quilt is constructed using a variety of shapes and sizes all cut using the original Creative Grids 60-Degree Diamond Ruler. The piecing starts smaller in the middle and "blooms" out bigger with each row of petals. There is no fussy piecing or Y seams involved!

Messenger Bag
Elizabeth Riffey

Saturday
May 23

10:30-4:30
\$45.00

This messenger bag is fully lined with boxed corners and interior pockets. Learn how to install bag hardware and zip pockets for a stylish and functional bag.

Facing Your Quilt
Victoria Jones

Sunday
May 24

1:00-5:00
\$35+\$15 kit fee

Does your quilt appear to not need a traditional binding? Learn how to add a facing on your quilt rather than adding the traditional binding to the outer edge. Many art quilts are finished this way as adding a binding can distract from the ‘look’ you are wanting. This is a technique class so you will be creating a sample for use later on your ‘real’ quilt.

Intro to Machine Embroidery
Elizabeth Riffey

Tuesday
May 26

10:30-4:30
\$45 + \$10 Kit Fee

New to machine embroidery? This complete beginners class will help explain all the basics you need to know such as thread, stabilizers, designs and techniques, as well as complete a few basic projects to help boost your confidence with machine embroidery! Bring your embroidery machine, hoops, manual, and a basic understanding of your machine to practice 5 different embroidery projects!

Painted Forest
Victoria Jones

Wednesday
May 27

10:30-4:30
\$45.00

Create your own fantasy Forest from your favorite scraps. You can use floral fabrics with various light or “low-volume” prints, or you can plant your forest in any leftover bits and pieces in your scrap pile. How about a plaid forest in browns and reds? Or maybe a wintery forest in all blues and silvers. Or go super-dynamic with a black and white forest against a backdrop of various reds. The variations are about as limitless as, well, the number of leaves on a tree.

Blue Onion
Victoria Jones

Friday
May 29

10:30-4:30
\$45.00

The swirling blocks in Blue Onion are made from a variety of contrasting prints. To change it up - make them out of any 12 contrasting prints you like. The arcs are long and gentle which makes them easy to sew. Work with 6 different prints at a time to make one set of blocks. This makes it easy to make more. Just add to the mix in sets of 6 additional rectangles for 6 additional blocks. Or, take a practice run with 6 rectangles and turn it into a table runner! Finished size is 50” x 70”.

Random Fabric Weaving
Victoria Jones

Sunday
May 31

1:00 - 5:00
\$35 + \$15 Kit Fee

Learn this easy way to create custom textiles! With just a few almost magical tricks create your own new fabric to make any project unique. We'll be cutting strips of fabric, weaving them to create fabric that you will be able to use for a place mat, table runner, tote bag, jacket, vest, and/or quilt blocks. This is a fun technique and you'll be amazed at how easy it is.

Private Class

Pick your day
Starting at \$25/hr

Schedule a one-on-one class with your instructor to finish a learning technique from a previous class or a new skill you want to learn.
See an associate or contact a teacher to schedule.

CLASSROOM POLICIES

- Please do not show up more than 30 minutes before class. We need time to prepare the classroom and/or wrap up the previous class.
