

Kinusaiga Supply List

Kinusaiga is a traditional Japanese art form where fabric pieces are pressed into grooves cut into a foam board to create stunning, textured pictures - no sewing required. Learn how to create this beautiful artwork with scrap fabric and class provided templates.

Kit Fee: \$10 for the templates, prepared foam board, and x-acto knife

Supplies

- Bag of fabric scraps (with both large and small pieces)
 - OR 5-6 fat quarters to match your project
- Sharp small fabric scissors (curve preferred, but any sharp pair will work)
- Seam ripper, ball-point all, stiletto, or hera tool (for pressing the fabric into the foam board grooves)
