

Mondo or Midi Bag Supply List

These 'catch-all' bags are great for the beach, overnight trips, or toting your fabric stash to class or retreat. The Mondo bag is 'huge' while the Midi Bag is approximately half the size. This is a great place to use Charm Packs, the 2-1/2" square Candies, or your scraps. Both bags are made using 2-1/2" squares and a pre-printed fusible interfacing (included in the pattern or available at the shop) to make stitching all the seams **EASY!!** (Victoria promises). So fun and easy you won't want to make just one!

REQUIRED PATTERN(S): Mondo Bag **OR** Midi Bag from Quiltsmart

NOTE: Mondo Bag Pattern includes preprinted fusible interfacing to make one bag (approximately 10" square bottom and 17" high). Midi Bag pattern includes preprinted fusible interfacing to make two bags (approximately 8" square bottom and 12" high).
