

Patchwork Applique T-Shirts Supply List

Supplies:

- Fabric scraps at least 2.5" square or larger (Or buy a pre-cut kit from instructor for \$5)
- Heat n Bond Lite 12" x 12"
- Blank T-shirt or Sweatshirt
- 12" square of Dream Weave fusible interfacing (if doing a t-shirt)

Other tools:

- Thread snips
- Thread to match your fabric
- Pre-wound bobbins (or wind your own)
- Fabric scissors
- Paper Scissors
- Rotary cutter with ruler and cutting mat
- Machine needles size 80/12 (universal)
- Straight pins
- Marking pen
- Sewing machine capable of straight stitching and decorative stitching (foot pedal and power cord, too)
 - You will need a standard sewing foot (or clear foot) and ¼" foot
- Seam ripper
- Iron and pressing mat (Some will be available for class, but ironing space is limited, so it's good to bring your own)
- Applique pressing sheet or pressing cloth

Templates will be provided in class. You can make a ghost like the sample, or do your own shape like a heart or tree.
