

Slouchy Plush - Supply List

These adorable plushies are a pleasure to make! Choose from a variety of animals like foxes, tigers, and corgis, or pick a mythical dragon! Previous experience with minky is helpful, but not required. Learn techniques like applique, curved piecing, and sewing darts to make these adorable plush animals.

Fabric Requirements:

- 1/2 yd of minky fabric for main body
- 1/4yd of minky fabric for accents like belly, inner arms, inner ears, tail etc.
 - See patterns for exact amounts depending on which project you are making. You will generally need 2-3 accent colors.

The instructor will have some minky scraps available for purchase for the accent parts of the plushies. Please make sure to buy your body minky and interfacing/batting from the store.

- If doing machine applique - 4x4 Scraps of cotton or felt in black, white, and accent colors
 - You will also need a fusible web like Heat n Bond and a pressing cloth.
- If doing machine embroidery: You will need to bring your embroidery module to do the embroidered pieces.
 - If you are confident enough, you can embroider or applique your pieces before class. Otherwise, the instructor can help with machine embroidery or applique.
- Fat quarter of muslin or scrap fabric for weights
- If making the dragon: you'll need a 1/8 yard of fusible fleece for the wings

Other tools and supplies:

- Thread snips
- Thread to match your fabrics
- Fabric Scissors
- Pre-wound bobbins (or wind your own)
- Machine needles size 90/14 (Universal or ballpoint. **NO MICROTEx**)
- Sewing clips (Highly recommended, but straight pins or fork pins work)
- Sewing machine capable of straight and zig zag stitching with power chord, sewing feet, pedal, etc.
 - If doing machine embroidered accents instead of applique, you will need to bring your embroidery module and hoops unless you embroider the pieces beforehand.

- Hemostats or easy grip pliers (for turning small parts) - turning sticks or chopsticks will also work.
- Doll needles and hand sewing needles
- Fine tip felt marker or pen to trace out your pattern
- 20oz fiber fill stuffing
- Poly pellets or rice (for weights)

Pattern: Slouchy Plush Paws or Dragons by Choly Knight

<https://www.etsy.com/listing/4538517045/slouchy-plush-dragons-sewing-pattern-pdf>

If you are machine embroidering the details, you will also need to purchase the embroidery files in the product description.

Please make sure to print and cut out your pattern pieces and store all of them safely in an envelope or zip bag **before** class. Briefly read over the pattern to familiarize yourself with the pattern and see what variations can be made to the plush to make it your own!

If you are experienced or comfortable working with pattern pieces or plush making, you can trace your pieces onto the **WRONG** side of your minky before class to get a head start. This is **not required**, as the instructor can help you in class with this step.
