

# TABLETASTIC!

Choose a project from any Tabletastic! book (three to choose from). These table runners and toppers would also work as small wall hangings. The books use folded corners in many of the projects and the author has designed a ruler that makes this technique work every time - no more out of square corners!

**REQUIRED BOOK:** Tabletastic!, Tabletastic! 2, or Tabletastic! 3 by Doug Leko for Antler Quilt Design

**OPTIONAL RULER:** Mini Simple Folded Corners by Doug Leko

Very helpful if your chosen project has folded corners, I will have mine available in class for you to try if desired.

**REQUIRED FABRIC:**

Check the requirements for the project you choose to work on in class.

**GENERAL SUPPLIES:**

Best Press - Optional but can be very helpful as many of the projects have very small pieces as well as stitching on bias edges.

Rotary Cutter and Favorite Ruler

Small Cutting Mat - Optional - can be helpful at your machine for trimming blocks as needed.

Thread and Pins

Machine in good working order, power cord, foot, and knee lift (if you use one).

Machine Feet - A Quarter Inch Foot (or what you use to achieve a 1/4" seam).

This is an all-day class and you may wish to bring a lunch or snack with you. We do have a small microwave and fridge available if you need it.

I look forward to seeing you soon in class, if you have any questions please feel free to contact me, My phone/text number is 503-989-3330 and my e-mail address is [vdjsews@gmail.com](mailto:vdjsews@gmail.com).

Victoria Jones (New 8/29/22)
