

Wave Runner Quilt Supply List

Join us for a fun day of quilting and skill building. Wary of curved piecing? Want a pattern that doesn't require perfect precision? This quilt is for you. You'll learn curved piecing in a relaxed, supportive setting. The blocks are made oversized and trimmed down, so exact measurements aren't critical. With a touch of improv, this project is both approachable and enjoyable.

Notes about fabric choice: You can use either 10" squares, fat quarters, or yardage. It is best if you can separate your fabrics into 2 even stacks of **contrasting** colors or values: lights & darks; cool & warm; 2 color palettes i.e.: red & green or blue & yellow. Please see the pattern for fabric amounts.

Supplies needed:

- Pattern: Wave Runner by Cozy Quilt Designs
- Fabric. See pattern for sizes and amounts. See also note above about fabric choices.
- Sewing machine with power cord and foot pedal.
- Small iron and pressing mat.
- Coordinating thread
- General sewing supplies: rotary cutter, pins, fresh sewing machine needles, bobbins, favorite ruler, etc
