

Witch's Night Out

This class is designed to be very informal. You can make the quilt, table runner, pillow, placemat, or etc. The kit has everything needed for the quilt. There will be fabric left over.

Each of you will be on a different skill level. You can choose what you would like to do for each class.

If you choose to cut before class, be very careful in cutting. The pieces are small so a 1/8" mistake in cutting will make a difference in piecing.

Bring all the necessary quilting supplies.

I look forward to us being together.

Jeanne
