

Atlas Zipper Case

Center Street Quilts

Instructor: Heather B Mayes

Location: In-person attendance is strongly recommended as we have many supplies and tools for you to play with that will not be available to Zoom attendees.

Class Description:

Sew up the perfect little organizer with the Atlas Zipper Case by Center Street Quilts! This handy zippered case finishes at 8" x 10" closed and opens up to 16" x 10", with two large slip pockets, one large zipper pocket, and two small zipper pockets inside.

In this class you'll practice a great range of skills: quilting, binding, installing zippers, and sewing with vinyl. It's a fantastic project for building confidence with techniques you'll use again and again in future bag and pouch projects.

Supplies:

- ☐ Pattern (purchased separately)
- ☐ See pattern for material requirements
- ☐ Bag making tools:
 - ☐ [1/8" basting tape](#)
 - ☐ [Stiletto](#)
- ☐ All your favorite sewing supplies (snips, pins/clips, removable marking tool(s) that will be visible on each of your fabrics, ...)
- ☐ Sewing machine in good working order
 - ☐ Bring your zipper foot!
 - ☐ **For working with vinyl**, some people find a non-stick foot helpful (I don't use one). I find that vinyl is more likely to stick to the stitch plate. To get around that, I cover it with low-stick tape (embroidery/fabric or painters' tape). You can also put a piece of tissue paper under the vinyl and tear it off. For tissue paper, you can use interfacing instructions!

Please complete before first class:

- ☐ Follow Cutting Instructions at the top of page 2
- ☐ Complete parts 1-3 of Prepare Quilted Panel
