

Intermediate Bagmaking: Bodobo Box Bags

Ticklegrass Designs

Instructor: Heather B Mayes

Location: In-person attendance is strongly recommended as we have many supplies and tools for you to play with that will not be available to Zoom attendees.

Class Description:

Intermediate Bagmaking is designed for students who are ready for the next step after Beginner Bagmaking but aren't quite ready for our monthly bag classes. This session focuses on building confidence with core assembly skills, including installing zippers and managing more detailed construction.

You'll make the Bodobo Box Bag by Ticklegrass Designs, a practical project that gives you structured practice with these techniques. The Bodobo Box Bag features a different method for attaching zippers than in the February and March Intermediate Bag Classes. This class is a good fit if you want guided support while moving toward more independent bagmaking.
