

Introduction to Applique

Needle Turn & Raw Edge

Instructor: Marcia Salverson

Location: Treelotta (In-person attendance is assumed. Please let us know if you plan to join us via Zoom instead.)

Class Description:

Curious about applique? This class is the perfect place to start! We'll show you two easy techniques, turned edge and raw edge, so you can pick your favorite or try both on your project. You'll also learn simple ways to prepare your applique shapes, and we'll provide the patterns so you can jump right in and start creating!

Skill level: Beginner

Supplies:

- ☐ Sewing Machine – in good working order. Don't forget the power cord, foot pedal, and manual. You must have a basic knowledge of your machine. **Please ensure you have an open toe or satin stitch foot that you can do satin stitch or zig zag stitch with for your machine and are familiar with operation of this foot and how to set your stitch width and length on your machine for this project.**
- ☐ Basic Sewing Supplies - Pins, cotton thread (matching colors to applique or invisible thread. You can also use a neutral thread if you don't want to keep switching thread colors), seam ripper, etc.
- ☐ Rotary Cutter with new blade and cutting mat (These are also available in the classroom)
- ☐ Small iron and pad (if you have a travel iron it will be helpful in this class-we have irons in the classroom, but this will stop you from having to get up and down extensively to use the iron)
- ☐ Scissors: Pair of ~ 4" scissors for cutting your applique shapes ([Karen Kay Buckley blue handled scissors are recommended because they have micro serrated edges which prevents less fraying](#)). You also need a pair of paper scissors-cutting paper with your sewing scissors can blunt your blades!
- ☐ [Tweezers](#) (helps with placing and picking up small pieces)

- ☐ [Water soluble or air soluble pen](#) (for drawing placement on your background fabric)
- ☐ [Applique pressing sheet](#) (not required but very helpful)
- ☐ Fabric to make your applique-you will need approximately 4-5 different 5" square scraps for the flowers and leaves and a 2" x 8" scrap for the flower stem. You will need a 10" square piece for the background.

For Turned Edge Applique

- ☐ Needles: [We recommend the Roxanne Applique Needles](#)
- ☐ [Fabric glue pen](#)
- ☐ Silver gel pen or [Frixion pen](#)
- ☐ [Making templates-plastic template sheet or heavy cardstock](#)
- ☐ Freezer paper or [tear-away stabilizer](#)
- ☐ Spray starch-not required but can be helpful-also a small, flat headed paint brush can help apply starch to turned edges for applique.
- ☐ Thread to match your fabric pieces or neutral or invisible thread.

For Raw Edge Applique

- ☐ [Steam a Seam Lite](#)
- ☐ Thread to match your fabric pieces or neutral or invisible thread.

Treelotta Class Policies
