

# Catch All Caddy 2.0

Patterns ByAnnie

**Instructor: Teresa Barbagallo**

**Location:** In-person attendance is strongly recommended as we have many supplies and tools for you to play with will not be available to Zoom attendees.

## Class Description:

You will love this sturdy over-sized caddy with lots of easy-to-access slip pockets and dividers to hold and organize all your supplies.

Six slip pockets on the exterior provide easy access to tools and supplies and a zippered pocket on one end keeps personal items safe and secure.

Expanding dividers on the inside open to organize a multitude of supplies or collapse to fall flat against the interior of the caddy affording a wide-open interior for plenty of storage possibilities.

Comfy padded fabric handles make carrying easy. They attach with rectangle rings which allow them to fall flat against the front or back of the caddy.

The finished caddy measures 7"H x 13½"W x 6½"D.

**Skill level:** Confident Beginner. Use of your sewing machine and basic quilting tools required. If you've never made a ByAnnie bag, we highly recommend making the [Easy Does It](#) first then taking this class.
