

Clear Blue Tiles

Instructor: Teresa Barbagallo

Location: In-person

Class Description

Let us show you how to use Clear Blue Tiles! You will get professional results on your quilts using your embroidery machine. No stabilizer needed - just your quilt layers. We will show you all you need to get started using this great new tool (no purchase necessary - take this class to see if you NEED these in your life). We will also tell you who should get the expansion pack.

Skill Level

Beginner. However, you should be familiar with how to use your embroidery machine.

Included in Class Fee

Class fee covers instructor and facilities costs only.

Please complete before class:

- Collect all your supplies and get ready to have fun!
- Also, if you get a chance before class, write down the available embroidery field for each of your hoops. I have a list of the most common Bernina hoop sizes, so I can provide those for you.

Required Supplies

- **Sewing machine with embroidery module** (and all necessary embroidery tools [hoops, bobbins, embroidery presser foot] - remember that power cord!)
- **Clear plastic templates** that came with your embroidery hoops (if you are unable to locate these, don't worry about it for class, but you will want them later - we'll talk about this during class)
- **Clear Blue Tiles set** (not required for class, but if you have them, please bring them) - make sure to bring everything: the USB stick, the marking pen, etc.
- **2 fat quarters and some thin batting** (solid color fabrics are easier to see your stitching on)
- **Machine embroidery thread**
- **Embroidery needles**
- **Paper and pen/pencil** for note taking
