

Firefly Tote

Noodlehead

Instructor: Heather B Mayes

Location: In-person attendance is strongly recommended as we have many supplies and tools for you to play with that will not be available to Zoom attendees.

Class Description:

An easy-to-sew tote and project bag that's both practical and versatile. The tote size works well for a day trip or work bag, while the smaller project size is perfect for knitting or crochet projects—or even as a lunch bag. Both sizes feature a drawstring closure, an interior slip pocket, and a front pocket with an additional zippered pocket for extra organization.

The bag is made entirely from rectangles, so there are no templates to cut, making it a straightforward and approachable sew. With two sizes and lots of ways to personalize it, this tote has so many possibilities!

Skill level: Beginner +

Please complete before first class:

- Complete all cutting instructions for your bag size (tote or project) on pages 3-8
- Complete the "PREPARE: APPLY INTERFACING" directions at the top of page 9

Supplies:

- See pattern for materials; bring your scraps to class!
 - I **highly recommend using a longer zipper** than called for the instructions. The minimum size should be 8" {7"}. A 10" {9"} zipper will make things even easier.
- [1/8" basting tape](#)
- [Stiletto](#)
- [Bodkin](#)
- [Microtex](#) or denim needles to help sew through any thick seams
- All your favorite sewing supplies (snips, thread, pins/clips, removable markers that show on each of your fabrics...)
- Sewing machine in good working order
 - Bring your zipper foot!
