## Class Description

Bring your choice of pattern and fabrics, or join in on our selected quilt-along. Each month we'll have a little show and tell, maybe demo a block, talk about some of the tips-and-tricks we've picked up along the way, then leave some time to work on our own projects together. Attendees will have access to our library of templates while in class. While each session is scheduled from 10-12, the classroom will remain available to attendees until 1:00 if you want to stay to work a little longer.

We recommend this club for intermediate quilters and beyond. Club membership not required, but certainly has its benefits. Check out the details below.

This group meets on the second Friday of every month. Please sign up for each session to let us know you are coming. Jen Kingwell Collective Club Members can use a coupon code to bypass the individual session fee.

## Skill level:

Jen Kingwell projects are generally targeted towards intermediate and advanced quilters. Members should know how to piece accurately and maintain a scant 1/4" seam.

## Please complete before first class:

- Some weekly projects/demos may require light preparation. Any homework will be announced at prior to next meeting.

## Required Supplies

- Hand sewing supplies or your sewing machine in good working order. Don't forget your bobbins, power cord and foot pedal!
- Supplies needed for your own projects

## Optional Supplies

- We recommend bringing a handwork project or some other quiet-type work you may want to do while we have show and tell or during discussion.

## Club Membership Information (optional)

Sign up as a member. \$60 gets you one year of free attendance (normally \$15) and 20% off Jen Kingwell products purchased in store on meeting dates. A coupon code will be provided to you at sign up.

## Mask Policy

Please bring your mask to class. While wearing a mask is optional at this point it is highly encouraged, and we are always willing to accommodate individuals who prefer that everyone masks up in class.
