Class Description

Chock full of cute little zippers and pockets, this nifty bag is one of our favorites! It's perfect for stashing needlework supplies, sewing notions, and so much more! Now *you* can make your very own Sew Together Bag! The finished bag features three zippered pockets, four open pockets, a pincushion, and a needle landing all held together by a zipper that forms two handles. While this bag can seem intimidating to make, but once we break it down into easy to execute steps, you'll be flying through it and by the end, you'll want to make a dozen more!
