

# Triangles Techniques

Quilting Skill Builder

**Instructor: Marcia Salverson**

**Location:** Treelotta (In-person attendance is assumed. Please let us know if you plan to join us via Zoom instead.)

## Class Description:

This technique-focused class is perfect for advanced beginners who have some sewing experience—ideally those who have taken our *Intro to Quilt Piecing* class or have sewn a quilt block or two on their own.

In this session, you'll learn how to make four essential triangle-based blocks: half-square triangles, flying geese, quarter square triangles, and square-in-a-square. We'll guide you through accurate cutting, piecing, and pressing techniques as you create a small wall-hanging sampler. This class is not suited for absolute beginners—we'll hit the ground running, so some comfort with rotary cutting and basic sewing is a must!

**Skill level: Confident Beginner/Intermediate**

## Supplies:

Supplies (aside from your machine attachments) are available at our shop. We recommend using high-quality cotton fabric and batting from a quilt store—our staff is happy to help you choose!

- ☐ Fabric to make 4 blocks in class.
  - ☐ Scraps of fabric that are at least 10" square or 1/4 yards-(fat quarters would also suffice-4-5 total fat quarters). You will need at least one lighter background fabric and 3-4 colors of your choice.
  - ☐ 1/4 yard for sashing fabric
  - ☐ 1/2 yard for border fabric
- ☐ Sewing Machine – in good working order. Don't forget the power cord, foot pedal, and manual. **You must have a basic knowledge of your machine.**
- ☐ Please ensure you have a 1/4" foot for your machine and are familiar with the operation of this foot for this project.
