

Hovea Jacket PREP CLASS

Pattern by: Megan Nielsen

Instructor: Leslie Kennedy

Location: Treelotta

Class Description:

Get a head start on your Hovea Jacket in this essential prep class! We'll walk you through choosing your size, planning your layout, and quilting your fabric layers so you're ready to hit the ground running in the main construction class. By the end of this session, you'll have your quilted panels ready and your pieces cut (or at least in progress!) —making the sewing process smoother, faster, and more fun.

This Hovea Prep class will be held 2 weeks prior to the Hovea Jacket Class, giving you plenty of time to get everything ready in advance of the construction class.

We will tailor the content of this class to the needs of the class participants who enroll in the Prep Class.
