

Winsome Wolf

A Funky Friends Factory Class

Instructor: Patten Laurel

Location: Treelotta (In-person attendance is assumed. Please let us know if you plan to join us via Zoom instead.)

Class Description:

Sew up an adorable **Winsome Wolf** by **Funky Friends Factory** in this fun stuffed animal class! This charming project is a great way to build your stuffed animal sewing skills while creating a sweet handmade wolf full of personality.

It's also the *perfect* opportunity to pull some **Graywork by Tula Pink** from your stash. Join us for a creative class and leave with a cuddly new friend!

Skill level: Confident Beginner

Please complete before first class:

- **Read** the pattern to familiarize yourself with it and make sure you have all the supplies you need. The TIPS that are included on the pattern are very helpful.

- **Cut ALL required pieces using the layout on page 2 and keep them attached to the pattern pieces** – You can skip the first step on the layout of gluing all the pattern pieces onto heavier stock paper IF YOU WANT....but **DO** make a copy of all of the pattern pieces to cut from – leaving your original pattern intact.

- **Test your sewing machine** to make sure it is in working order and you have all the feet needed for this project!!! Please pack extra needles and bobbins. If not very familiar with your machine, please bring your manual for your reference.

- **We will start on the Face & Ears (page 4) in class.**

Supplies:

- Pattern – Winsome the Wolf by Funky Friends Factory
