Classes & Events

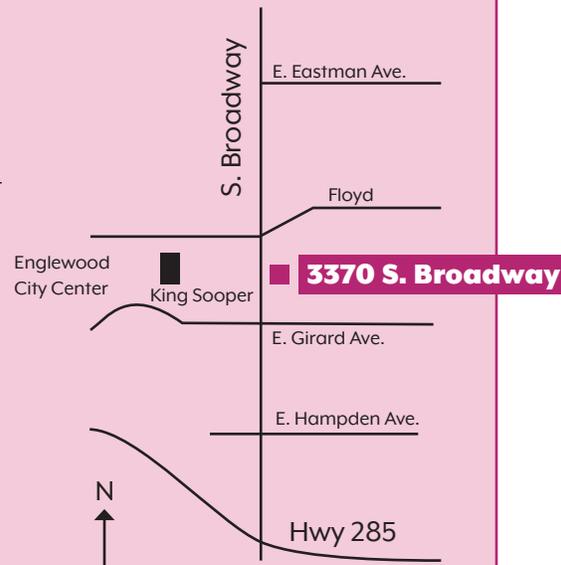

We are tickled pink to announce that we are moving locations this spring!

But don't worry, we'll be just about 10 minutes south of our current location. We don't have a specific date yet, but we'll be sure to let you know as soon as we have a firm date in place. Until then, check the website for the latest updates.

We are eager to show you all that the new location will have to offer, but here are a few little teasers to whet your appetite:

- We'll be right on Broadway and just north of Hampden (aka Hwy 285), so it's **easy to find and easy to access!**
- Better and more **parking!**
- **More space!** All of our fabrics will be in one location (YAY!!!!)
- Dedicated class space(s)
- Expanded Bernina area
- A second longarm
- And much more!

Sign up for classes online or give us a call at 720-634-5813.

Special COVID-19 Statement

We're pleased that things continue to improve and open up. While exercising an abundance of caution, we are starting to dip our toes back into the waters of in-person classes. **We are offering some in-person seats for most of our classes, but we will continue to hold all of our classes virtually via ZOOM.** In-person spots are limited and are first come, first serve, so don't wait to sign up. Check the class listings on our website for the latest status.

Please let us know when you sign up if you would prefer to attend via Zoom. Otherwise we will consider you an in-person attendee until those slots fill up.

GENERAL

Sewing 101

Got a new machine and want to learn to sew? Or want to learn to sew before you'll know if you want to buy a machine? Either way, we're cool. Come learn the basics of how to sew and make a pillowcase to take home with you. We'll be covering things like fabric and thread selection, measuring and cutting, and, of course, sewing! Bring your working sewing machine or rent one of ours for the class. Buy one of our prepared kits or select your own fabrics before class.

Cost: \$ 40.00

Friday, April 30, 5:00 PM – 9:00 PM

Color 101: Hue & You

"When I signed up for the class, I was hoping for a "basic" understanding of the color wheel and to be able to match fabrics/colors to see what was visually pleasing. This class was so much more than that. We were given an in-depth look at color and its origins. We learned how to see color, name color, use color, and feel color."

Flummoxed by fuchsia? Confounded by cornflower? This in-depth three-part class will help you understand how color systems work, how to mix and match colors to create a pleasing palette, and you will be challenged and inspired to look at all colors with a creative eye. We'll even make a beautiful color wheel you can embellish and hang on your wall for reference and/or inspiration.

Cost: \$ 125.00 (includes required kit for class)

June 27, July 11 & July 18, 1:00 PM–5:00 PM
