**Class Description**

These baskets are SO fun to make and super-cute to boot! Not to mention they can be so versatile when you add a long handle, to make a purse or tote, a short handle, to make a cute basket, or leave it handle-less for a neat fabric bowl. You will be amazed at how easily these go together and by the end of the class, you'll be saying, "Oh my gosh! Where have you been all my life?"

---

**Please complete before first class:**

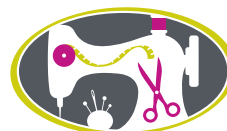

- Read through the pattern
- Have your 2" wide strips cut. (You can use a jelly-roll but there may be a lot of waste.) I actually used 1 3/4" strips and it was plenty.

---

**Supplies**

- Quick Clothesline Carry-All Pattern by Indygo Junction (IJ899)

  - Webbing for handles if desired
  - Sewing machine in good working order
  - Standard sewing supplies (rotary cutter, pins, rulers, etc..)

- Not required but nice to have:**
- 14 x 12 piece of paper or Pattern Ease for making the bottom pattern of the basket liner.
