A message from Jessica:

Wow, I can't believe July is upon us already and you know what that means.....Fall and Christmas oh yes Christmas fabric has arrived and will

be arriving throughout this month. We have been busy making some fun and beautiful new projects! I can't wait to redecorate and finally get to show you everything! By now you know me, I am way to excited and it will be happening very soon.....

I am also extremely excited to announce the Judy Niemeyer paper piecing class. Many of you have asked about doing this class and I am so excited we are able to get Lauren to teach it for us! Don't miss out on this opportunity!

I hope you have a special 4th of July whether you are gathering with family or friends or spending some quality time doing something you love in your sewing room. Treasure it all!

Happy Sewing!
