Remember that sweet little tree lot that would set up on that corner in town? The one that always had the freshest trees? I do too! This very easy crayon tinted embroidery has glass beads added to make those Christmas lights sparkle! All that's missing is the scent of fir and pine!

This class will cover 3 coloring techniques (texture materials will be furnished) and basic embroidery stitches. We will color in the morning and embroidery in the afternoon.

“Candy Cane Tree Lot” by Crabapple Hill Pattern #446 (Required)

Fabric Requirements

Stitching Background 23” x 16” (if has painted design like tone on tone, use wrong side of fabric)

White muslin for backing your stitchery 23” x 26”
(optional but I don't use)

See pattern for other fabrics to finish the pillow.

Supplies

Brown Micron Pigma Pen .01

Box of 64 Crayola Crayons: white, robin egg blue, tumbleweed, red, scarlet, carnation pink, silver, gray, yellow green, forest green, yellow, dandelion, burnt sienna, blue, cornflower blue, orange, red orange, and black.

Poster Tak (Color eraser found in Teacher Section Office Depot
Sample provided)

Cosmo and Cosmo Seasons Embroidery Floss or DMC Conversion

Patchwork Board (I will have these to sell for \$15 including tax)

Pocket Guide to Embroidery Stitches by Leisure Arts #56019

Embroidery Needles (I like Size 8 for easy threading)

Embroidery Threader (Clover #861 optional)

Pin Cushion

Embroidery Hoop

(I like Spring Tension 5” from Colonial Needle CNSTH)

Embroidery Scissors

6-8 Safety Pins to pin excess fabric out of the way

Cosmo and DMC Embroidery Floss in zip lok bags

Reading (Magnifying) Glasses (optional)

Before Class:

- Crayolas:** Pour out all the crayolas on the table and separate them by color families (reds with reds etc). Put the colors back in the small boxes, which will help you find the colors you need. Pull the colors listed above and put them in a sandwich zip lok bag.
- Floss**— If using DMC conversion from Cosmo floss, pack and label floss in sandwich zip lok bags
- Trace pattern** completely on stitching background fabric with a brown micro pigma pen .01 being sure to center the pattern on the fabric. Dots for beginning point of the Lazy Daisies, don't make loops. Dots for French Knots.
