Designed by a Quilter, for Quilters!

JANOME

Fabric has been slowing down this month since most of our warehouses are in New Jersey! We did get a nice blender collection of crackles in - too many for pictures.

2 yards of 3/8 elastic while supplies last!

Autumn Breeze Block of the Month

Starts May 23rd, 2020

6 months \$17.96 a month Finished 38" square.

Get it done just in time for Fall!

Wedge by Cheryl Phillips

Blue Hen Sweet Deals

According to the Delaware Governor, all non-essential business will be closed until May 15th. That is over four weeks away! And there are just so many masks we can make without taking a break!

To break up the monotony, we are starting a sew-along project to fill the void. Each week we will send out a free pattern for a block. If we stay closed for four more weeks, it will be a table runner. If this shut-down last a bit longer, maybe a wall hanging but hopefully not a king size quilt! Block pattern is on the last page - keep reading!

To compliment the sew along, we will offer a on-line special. See the details below.

In addition, each time you make a purchase online or over the phone between Friday, April 10th and the day we get to re-open the doors, your name will be put into a drawing for 20 fat quarters! We are simply going to print a copy of your receipt and put it into a bowl so you don't have to do anything but shop!

This week will be 10% off of reds/pinks and purples under the fabric colors.

You will be pleasantly surprised with what John considers red, pink or purple! Shipping is free for purchases over \$35 on the east coast. Check out code for your cart is **RPP10**.

Special ends Thursday, April 16th at midnight.

JANOME Special!

10% off our already impressive prices on the Janome Horizon Memory Craft 9450 and the Continental M7 Professional. Both machines are in stock and ready to ship to you! Just give us a call to set it up. Click on the pictures to see what makes these machines sew special!

Quilts Around the Bay Shop Hop

While it seems like ages ago, it was just last month that we were all trekking around the bay and having a great time collecting patterns, kits and fabric! We want to thank each and every one who took the time to visit ours and all the other shops in the Quilts Around the Bay Shop Hop! Hope you had fun! We'll do it again next year!

Let's do something constructive with all that time you have to spare right now!

Double Sawtooth Star - 12" finished

Cutting for one block

Unit A - cut one at 3-1/2" square

Unit B - cut eight at 2" square

Unit C - cut four at 2" x 3-1/2"

Unit D - cut four at 2" square

Unit E - cut eight at 3-1/2" square

Unit F - cut four at 3-1/2" x 6-1/2"

Unit G - cut four at 3-1/2" square

We used four colors plus a background. You could just use two if you wanted your inner star to be all one color and your outer star to be another color plus a background.

For the star point units, follow the illustration for both the B/C unit and the E/F unit.

Draw a diagonal line from corner to corner on your star point squares (unit B and E)

Place one square on its corresponding background (B with C background; E with F background.).

Sew on the drawn line and press the square back on itself to make a triangle. Trim the seam allowances behind it to 1/4".

Add the second star point in the same manner but sew the diagonal seam in the opposite direction.

Unit B/C should measure 2" x 3-1/2". Unit E/F should measure 3-1/2" x 6-1/2".

Layout the pieces as illustrated. Sew the inner star together in rows first.

Press the seams on the top and bottom rows to D. Press the seams in the middle row to A.

Sew the three rows together to make a 6-1/2" square. Press seams away from the center.

Use the inner star as part of the center row for the outer star.

Sew the rows together in the same manner. Press in the same manner.

Block should measure 12-1/2" square.
