

Bird Table Runner - Blocks are completed in the Embroidery hoop.

Blocks finish either 5" x 7" or 6" x 10" or 7" x 12".

Check your hoop sizes to make sure you have one to fit the size you want to complete.

We made the 6" x 10" size. There are four panel patterns. We repeated panels 2, 3 and 4 to make our runner. It is 10" wide x 42" long. When looking at our runner, the panels are stacked 4, 3, 2, 1, 2, 3, 4.
