

CADDY PAD

Supplies:

- Caddy Pad pattern (available @ Blue Hen Quilt Shop).
- (2) 21" x 28" pieces of Insul-Bright (available @ Blue Hen Quilt Shop).
- (1) 11 3/4" x 5 1/2" template, made from cardboard or template plastic. *ACCURACY COUNTS!*
- (1) yd webbing (cotton or poly).
- Fabric -
 - Main Fabric (MF) - 21" x 28" (*I STRONGLY SUGGEST A NON-DIRECTIONAL FABRIC*). This needs to be pre-shrunk.
 - Handles - Can match binding, main fabric or contrast. Directions call for (2) 4" x 14" pieces. I cut mine 5" x 20" as I found the first set of handles to be too short.
 - 1/4 yd for binding (either 2-1/4 inch or 2-1/2 inch). About 90 inches of binding is suggested.
- (2) 1" or larger coordinated buttons (shank buttons work well).
- 9" 1/4"-wide elastic.
- Sewing Machine in good working order.
- Walking Foot.
- 1/4" foot.
- Matching thread; pre-wound bobbins.
- Rotary Cutter, Blade and Mat.
- Straight Pins
- Scissors.

*****PRE-CLASS PREP*****

1. Make template (be accurate)
2. Cut main fabric and 2 layers of Insul-Bright (21" x 28")
3. Make binding.
