

## MINI POPPINS BAG CLASS

### Supplies Needed:

Aunties Two Mini Poppins Bag Pattern with Stays

30" Handbag Zipper (this size is needed to get the double slides) – special colors can be ordered at Blue Hen Quilt Shop. Be sure to order in plenty of time to have for class.

Microtex 90/14 Needles

Be sure to purchase the Bosal **DOUBLE** Sided IN-R-FORM PLUS Fusible Foam Interfacing  
Milliner's Size 5 Hand Sewing Needles

All other supplies are listed on the back of the pattern.

I will supply the 12 wt cotton thread to stitch the bottom of the bag. I have several colors to choose from.

60 mm rotary cutter is necessary to cut through all the layers of the bag.

Chaco liner is my personal preference for marking quilting lines. Do NOT use a Frixion pen.

### BEFORE CLASS PREP:

We will make the LARGE size in class. Please cut out all pieces according to Page 1 & label.

Do NOT fuse the pieces together before class.

We will start class on Page 2.
