## Handi Quilter Long Arm Rental Program

Before renting our Handi Quilter Avante you must take a training class. These classes are three hours long and one-on-one with Erin. \$60 class fee.

You will learn how to load a quilt, thread the machine, set tension, use a pantograph and free motion quilt. By the end of the class you should be able to complete your quilt with an all-over design.

### Supplies for the Training Class

Quilt back - 2 yards\*

Quilt Top - 2 yards\*

Batting - 44" x 72" or a Twin size

Wear comfortable shoes!

\*It is more convenient to use yardage rather than piecing fabric to make 2 yards. If you are piecing to get a full 44" x 72", please make sure it is square and pressed well.

HQ  
*Avanté*®

Smooth stitch precision  
integrated with the quality  
that quilters demand.

## Rental Program

The Avante is rented by the hour. The first hour is \$20. Every hour after that is \$15 with a three hour minimum rental period. Machine rental is by appointment only! A \$20 non-refundable deposit is required. The deposit will be applied to your rental fee.

The rental fee includes thread. We offer basic range of colors. Please check in advance if you are worried about thread color to make sure we have what you need. If you are looking for a specialty thread, you will need to purchase it in advance. Blue Hen can help you with that!

After completing the Training class and before your first rental period, renters are required to purchase a Rental Start-Up Kit offered at a discounted price. This kit includes a bobbin case, bobbins and needles. You may choose to also purchase your own leaders to save set up time.

When renting machines, all renters are required to use their own bobbin case, bobbins, needles, rulers, stencils and any marking tools. All of these things are available for purchase from Blue Hen Quilt Shop.

Experienced Long Arm quilters may opt for a Certification class for \$35. Here you will need to demonstrate your knowledge of the Handi Quilter Avante and review our rental policies. These sessions are set up by appointment.
