

*Dear Santa,*

*Christmas is approaching, and I have been a very good Diver all year. To make your job easier I have marked a few gift ideas. If the elves are busy, you can get these toys at Open Water Adventures (my favorite dive center).*

- Divers Knife (cut out of Entanglement)
- Dive Marker Tube (so the boat does not Leave Me)
- Secondary Flash Light (fits in my BCD pocket)
- Primary Flash Light (bright so I can Night Dive)
- Tank Marking Light (so my buddy and the boat can see me)
- Underwater Slate (when hand signals don't work)
- Noise Maker (get my buddies attention)
- Mask (to see the reef clearly)
- Snorkel (to play on the surface)
- Fins (to swim like a fish)
- Boots (keep my feet warm and comfortable)
- Gloves (keep my hands protected and warm)
- Mesh Gear Bag (haul my gear to the boat)
- Travel Gear Bag (pack gear for my international trip)
- Go Pro Video Camera (bring back memories)
- Sealife Camera (take pictures and shoot video)
- Sola Dive Light (very bright, small, and rechargeable)
- Dive Computer (plan my dives and stay longer)
- Air Integrated Dive Computer (Suunto is giving out free transmitters w/ computer purchase)
- Regulator (breath comfortably underwater)
- Buoyancy Control Device (dive weightless and free)
- Dry Suit (dive all year long warm and comfortable)
- Re-dive Kit (first aid for my dive gear)
- Advanced Package (further my diving knowledge)
- Nitrox Specialty (expand my diving opportunities)
- Boat and Deep Specialty (Aft, Starboard know your way around the boat & venture to new depths)
- Wreck Diving Specialty (discover history underwater)
- Navigation Specialty (dive the path less traveled)
- Rebreather Training (stay down longer in bubble free silence)
- Dry Case for my Smartphone (keep in touch with family, take photos)
- Gift Card (so I can choose the perfect item)

*Sincerely,*

*Your Favorite Diver*
