### ***Quilt top assembly:***

Assembly is done in 5 row units. Refer to diagram. Colored blocks are 5" squares.

### ***Finishing the quilt:***

Option 1 - Lay quilt top, right side up, on fleece backing, wrong sides together making certain all layers are smooth. Pin around all edges and tie quilt staggering rows and using seam intersections as guides. Attach binding to back of quilt and bring to front. Machine or hand stitch as desired.

Option 2 - Place quilt top and fleece backing right sides together making certain all layers are smooth. Stitch around four sides leaving an opening for turning. Turn and stitch opening closed. Top stitch 1/2" from all four edges. Tie quilt staggering rows and using seam intersections as guides.
