### January-February 2026

#### A Message from our Co-Presidents

##### Happy New Year!

We're ringing in 2026 with so much excitement, and our guild has already been hard at work planning an amazing year ahead. This January/February newsletter gives you just a peek at what's coming, and trust us, there is so much fun in store.

One of the highlights we're especially excited about is the **President's Challenge - Pieces of Me**. We've launched a brand new [Pinterest](#) board filled with inspiration, ideas, and tutorials to help get you started. This challenge is going to be such a creative experience, and we cannot wait to see how each of you makes it your own.

Be sure not to miss our upcoming **Zoom presentations**. Whether you prefer to join us in person or cozy up at home, we have you covered. Just remember to [RSVP](#) to reserve your seat. You will not want to miss what we have lined up.

And let's talk about the buzz around **FQ Frenzy**. Wow. It has been a huge hit, with more than 100 fat quarters already won. January's color is **Turquoise**, and we cannot wait to hear what color our lucky winner will choose for February. The suspense is real.

There is so much new, exciting, and inspiring happening in our guild right now, and we hope you are feeling that energy too. Here is to a creative, connected, and joy filled start to the year. We cannot wait to share it all with you.

Warmly,  
Lisa and Madeline

## 2026 PRESIDENT'S CHALLENGE

What do you look like in fabric?

This year's President's Challenge invites you to create a self portrait quilt that reflects your personality, your story, and your creative style. **Pieces of Me** is all about self expression and play. There are no rules when it comes to shape, size, fabric, or technique. Appliquéd, piecing, collage, embroidery, mixed media, or something entirely your own. Go literal or abstract. Bold or subtle. Serious or whimsical. If it feels like you, it belongs here.

All challenge pieces will be displayed anonymously at our June 2026 Dinner, so no sharing or sneak peeks until the big reveal. Members will have fun guessing which piece belongs to which maker, and prizes will be awarded including **Best in Show** to celebrate creativity and craftsmanship.

Need a little inspiration or a gentle nudge to get started? We are excited to introduce [Pinterest](#) as a new way to share inspiration with our members. Grab a cup of coffee and enjoy the scroll. You may just fall down a creative rabbit hole.

## Members' News

## November

Our November membership meeting featured mini-demos Station Rotation offering novel quick-to-make gift ideas... which members report that have already been given as gifts this holiday season. Demo topics: Tea Wallet, Bowl Cozy, Pillowcase, Rope Bowl. Fringe benefit: consumes remnants. Spoiler alert: easily addictive.

December 15 - Holiday Celebration Dinner

Lots of cheer to cheer for. Great food, great camaraderie, raffles and prizes. Thanks to Judy Wollman and the food setup committee, we enjoyed a delicious meal. The “Fat Quarter Frenzy” yielded a substantial haul of “red” for Mario Mulea, who nominated “turquoise” as the next FQ Frenzy color. Creatively arranged, generous gift baskets (22 in all), brimming with practical and fun goodies, brought in proceeds to support guild events. The artful gift exchange provided a perfect conversation space for members to meet, expressing gratitude for the thoughtful contributions to each other’s stash.

Many members contributed gorgeous quilted/stuffed animals for children in need, thanks to the organizational efforts of Charity Chair Linda Huncharoff.
