

**Class: Hippity Hoppity****Instructor: Mary Ellen Dolan**

This sweet and playful quilt features appliqué bunnies, chicks, eggs, and simple pieced blocks all mixed together into one cheerful design. It's a fun project for anyone who wants to try appliqué alongside some easy piecing, and it comes together into an adorable quilt that's perfect for scrap busting too!

**Class: Mondo Bag****Instructor: Ruth Bechtold**

Learn how to create the popular Mondo Bag using a fun patchwork technique using fusible interfacing. A roomy, sturdy tote that's perfect for everyday use or quilting on the go.

**Class: Placemats****Instructor: Marie Martin**

Turn fat quarters into quick, quilted placemats using simple strip piecing. A fast, practical project that's perfect for gifts or everyday use.

**Class: Dance Floor****Instructor: Mario Mulea**

A bold, modern quilt featuring colorful diamond blocks that create movement and eye-catching secondary patterns. A fun, approachable project with big visual impact. Perfect for showing off color and fabric choices.

**Class: Migrating Geese****Instructor: Deb Kirchheim**

This project uses a Studio 180 Design pattern to create four tall columns of Flying Geese blocks that look like they're "migrating" across the quilt. It's a fun way to practice precision piecing and see how a simple block can turn into a really striking design.

**Class: Log Cabin Quilt Block****Instructor: Sharon Salkewicz**

This project is a fun take on the classic log cabin block and is part of a beautiful block-of-the-month program. Each block builds around a simple center motif, making it a great way to practice strip piecing and play with layout. A relaxed, satisfying project that comes together into a really charming quilt.

**Class: Strip-Pieced Quilt****Instructor: Elaine Jansen**

An strip-pieced quilt that comes together quickly while creating a stunning secondary pinwheel design. The repeating blocks add movement and visual interest, making this project both fun to make and impressive to display. This is a great opportunity to use some of your stash too! Elaine reminds us this quilt can be made in many sizes.
