

LIQS Workshop with Brits Nelson: Sunday, May 19, 2024 at the Freeport Recreation Center, Freeport, NY

Making Magic, a Disappearing Block Sampler Quilt

This is a 6 hour workshop. There are 9 blocks and I will teach each one in turn. I will demonstrate how to make the block along with little tips on accurate piecing and pressing. The students will then follow along and take turns showing the class how their block came out. I will show other possible layouts and talk about things like how to enlarge the pattern, or use different colors and how these blocks might look in a finished quilt. Students will receive handouts with pictures of optional blocks that students can choose to replace any of the standard blocks in the quilt, or to made additional blocks for a larger quilt.

Class fee includes pattern. Pattern and class preparation will be emailed once your registration and payment are received. Payment is non-refundable.

LIQS Member cost: \$20.00 Non-Member cost: \$70.00
