Hi Quilters,

Much news to report here!

We are making plans!

Watch for scheduling changes in dates, places, times, and new Board members' positions.

Please continue to contribute your wonderful ideas to this publication.

Thank you!!

## A Message from our Co-Presidents...

Dear Quilters,

Writing this letter to you is bittersweet. First, because two terrific quilters have come forward to take over our jobs as president, and so this will be our last message to you. And, second, because we do really love this job despite the fact that our promise of two years has extended to more than three.

We have enjoyed working with a great board. Their attendance alone has been award-worthy. Their ability to adapt to every possible place and way to meet, and their enthusiasm for our sometimes goofy ideas has been heartwarming. We thank them all.

Special thanks, too, to every member who thanked us along the way! Your words of encouragement meant the world to us! And thanks to those who volunteered for all the little jobs that needed to be done at meetings and events!

At the Annual Meeting, at Eisenhower Park on the 13<sup>th</sup> of September at 10:00 AM, we will install the new board. Emily Mann and Mary Ellen Orchard will take over as co-presidents, Rosemary Brix will become assistant to the treasurer, Evelyn Googe will take over the website. We wish them all a good year!

Thanks for three great years!

*Pat & Marie*

### New Project - Lap Quilt for Wheelchair:

Cut:

- 2 - 5 ½" x 32" For top and bottom
- 3 - 1 ½" x 32" sashing
- 1 - 8 ½" x 32" for hand and pocket
- 2- 7" x 18" for hands
- 2 - 4" x 8"

1. Sew the 5" squares together, 7 squares across and 4 rows down.
2. Sew the two 7" x 18" right sides together, leaving an opening to turn inside out. Press.
3. Sew the two 4" x 8" pocket together, in the same way.
4. Sew the pocket onto the 7" x 18" centering, leaving the top open.
5. Sew the hand & pocket piece onto the 8 ½ x 32" piece, centering it, only sew the top and bottom.
6. Take one piece of 5 ½ x 32" and sew one piece of sashing to bottom.
7. Then sew the 8 ½ x 32" piece to the bottom of that, then another sashing piece.
8. Sew your 5" square piece to the bottom, and then sew the last sashing piece.
9. Sew the last 5 ½ x 32" on the bottom of that.

The next Charity collection is not yet determined; however, feel free to bust your stash making more items for the future. Pillowcases are quick-to-complete stash busters with those fabrics in need of a project.

**Quilt tops in need of finishing:** If you are interested in these projects, contact Judy for a pickup appointment.

**Instructions for Charity projects,** for your continued reference:

**Pillowcase:**

1. Place the fabrics on top of each other matching the fold line. Cut off selvage. Make sure all pieces are the same size. Press the cuff and piping pieces in half, **wrong sides together**.
2. Open up 9" strip.
3. First, place the 9" opened strip, face-up, then place the main fabric face up on top, then place the 2" **folded** strip on top of that. Reach down and roll up, only the main piece of fabric to make a tube.
4. Then bring the 9" cuff piece of fabric **over** the tube, pin across the top making sure all pieces are pinned. Stitch a 1/4 inch seam across the top. **Do not sew the ends closed.**
5. Reach inside the tube and pull the tube out completely.
6. Fold the pillowcase in half, right sides together. Stitch down the side seam, making sure that the cuff and piping match, then the bottom. You can zig-zag the bottom and the side to prevent unraveling, or finish with crisp French seams.
7. It can be made with or without the piping.

**Pillowcase:**

1. **Main fabric 27" x WOF**
2. **Cuff 9" x WOF**
3. **Piping 2" x WOF**

**Chemo Seatbelt Port Pillow:**

1. Take the Velcro and separate it. Sew it to the right long side on the center edge of one piece of fabric and the other end to the other side of the same fabric. When they're sewn on you can wrap it around the seatbelt.
2. Close the Velcro.
3. Sew the two pieces of fabric, right sides together leaving an opening so you can stuff it.
4. Stuff it.
5. Sew the opening closed.

**Chemo Seatbelt Port Pillow:**

1. **2 pieces of fabric 7" x 4"**
2. **1 piece Velcro 3 1/2" (sew-on type)**
