Welcome to Summer! We are finally getting warm weather and adjusting to our new routine. I must thank everyone for their patience and for working with us as we slowly return to our old routine.

Beginning June 15th, we will begin our classes with a 4 student maximum. Please make a reservation for your spot for Monday or Thursday. Tuesday night classes will start on June 16th. If we have a lot of interest for classes, then we will ask you to come on alternating weeks to accommodate everyone.

We will continue to offer FaceTime and Zoom help to those that do not feel comfortable coming into the store.

Even though we have been closed, we have been changing and growing quickly. Our custom line is continuing to grow as we come up with new designs. Currently all items are preorder as the painting houses are finally beginning to reopen and catch up on their painting back log.

Canvas orders are also beginning to come in and we know many of you have been waiting for so long and we apologize for the delay. The designers are doing what they can; however we all must wait for the painting houses. Although finishing is also starting to come in, they are behind as well.

There are some exciting new things coming to Louise's that we will be announcing soon so stay tuned to Social Media. Also, take a look at our exclusive designs created by Louises'.

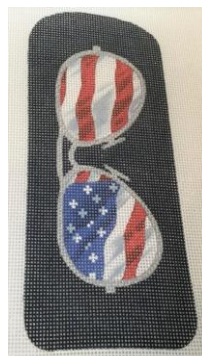

Due to all the new changes and growth, Louise's is looking for a new employee 1 day per week to upload products to the website and help in the office. Computer experience is a plus. If you are interested, please call to set up an interview.

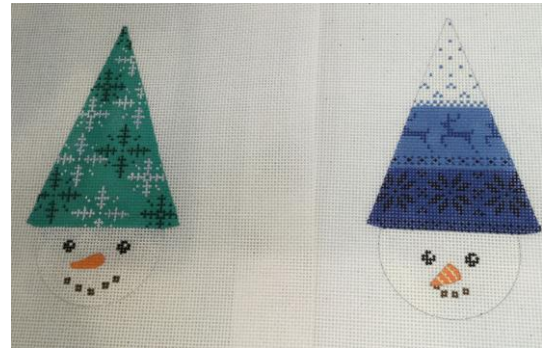

Our Trunk Show this month is Kirk & Bradley. They have so many great travel rounds and fabulous florals. Be sure to check out the selection at <https://kirkandbradley.com/> and as always, we will order for you at the Trunk Show price if we don't have what you want.

Happy Stitching!
Jill
