Weather Update:

While I have had my fair share of snow and ice this winter already, apparently Mother Nature has not. With the snow coming in tomorrow morning and the ice expected tomorrow afternoon we are going to reschedule our Marti and Me Cub for tomorrow. Date will be listed below. We will make a decision in the morning about whether or not we will be open. It doesn't look good at this point, but we will let you know in the morning. So come in and see us today and get a fun snow day project just in case! -Kelly
