

The From Marti and Me Club is perfect for an advanced beginner or a refresher for the quilter that wants to brush up or advance their skills. Join this great club as a way to expand all of your quilting skills. Learn ways to make that perfect block or project using Marti Michell's patterns and tools during a monthly demo that includes an exclusive pattern. The engineered corners on her tools, take all of the guessing out of piecing and make cutting and sewing your projects easy and fun. Projects range from table toppers and wall hangings to full size quilts and most patterns offer multiple sizes to make the one that suits your needs.
