

Hand Quilting Class

Instructor- Cheryl Travis

Supplies needed for class:

- 2- 20in. squares of muslin or Kona cotton, in color desired.
- 1- 20in. square of batting (Quilters Dream Cotton, Request weight) I will provide this for the class.
- Hand Quilting Thread (I used a teal color and an ivory color for the background quilting. I used a contrasting thread so I could see my stitches: I would recommend this for you).
- Quilting or Between needles (I would recommend size 9 or 10)
- 12 to 14in. quilting hoop (make sure that the hoop is sturdy) some hoops are not meant for quilting.
- Thimble (very important to have this)
- ¼ in masking tape
- Fine mechanical pencil or quilting marking pencil
