For top and bottom border units, sew pieces in the same order as for the left and right borders.

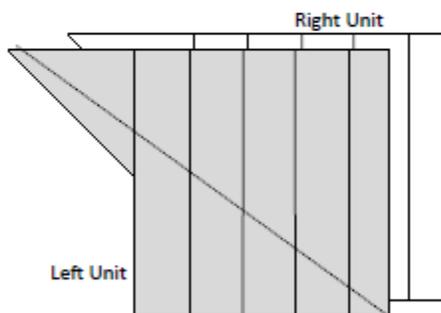

Make 10 sets. Sew 5 units together with a 1-7/8" Fabric B piece between each set to make the top border. Make 2 sets of 5.

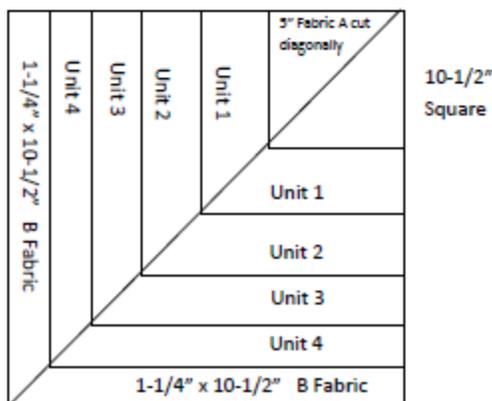

## CORNERS:

On wrong side of Left Units, measure 10-1/2" from the corner toward the triangle and make a mark. Connect that mark to the lower outer edge of the Fabric B strip and draw a diagonal line across the block. This will be the sewing

1. Right sides together, sew on drawn line. Trim excess fabric from seam, open and press seams open.
2. Trim to 10-1/2" square.

1. Sew Corner Blocks to the ends of the top and bottom borders with Fabric B strips toward the borders and the pieced triangles toward outer corners of the quilt.
2. Sew top and bottom borders to the quilt.
3. Leave the corners square or round them off by tracing around a plate or saucer and cut on the line.
4. Layer quilt with batting and quilt.

## BINDING
