

The Big Block quilt

Borders:

**WOF = width of fabric from selvage edge to selvage edge*

Using 10 different fabrics, cut the following pieces (If the quilt body measures (within 1/4") at 56-3/4" x 37-1/4" then use the measurements listed; however, if it is larger, then either trim the quilt body down and use the measurements listed or **increase** the larger measurements to compensate for the larger-sized quilt body. If smaller, **decrease** the larger measurements to compensate or merely trim the excess. Leave all at 6-1/2" wide!):
