Embroidery Essentials

QUILTING & EMBROIDERY

3-Day Hands On Event

Lunch, Designs & Catalog are included!

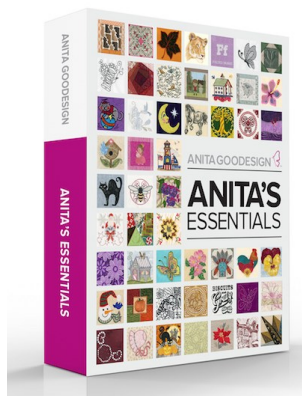

This unique hands-on embroidery event will teach you 15 different embroidery and quilting techniques created all within an embroidery hoop. Working through each technique on the embroidery machine will help get you more comfortable with your embroidery machine's buttons, features, capabilities and hoops. Designs are 4x4 & 5x7 sizes.

What a wonderful way to master the art of embroidery and quilting by machine! This class is perfect for embroidery novices and experts alike! We can take you from zero to

HERO and increase the knowledge of the most experienced embroiderer by having you complete different embroidery techniques. After this event we guarantee you will know and love your embroidery machine more than you ever thought possible. Also a great opportunity for you to try one of our machines, should you not have one of your own!

April 14-16th
\$99.00
