

Rich's of Salem & Albany Virtual Inspirations

Instructions will be sent to Inspirations members about 2 weeks prior to the first class of the month. This will give you a chance to choose and pre-cut your fabrics so you can sew along in "class" and with others, virtually. You will receive instructions and designs for embroidery, and instructions and any needed patterns for sewing, serger and quilt.

Google Meets links will be sent out 2 days prior to class. If you are unable to watch live class, all sessions will be archived and available for Inspirations members to watch at any time.

Please be sure we have your correct e-mail address.
