

HOW THE WEST WAS WON (as told by a quilter)

Come join us for our new mystery quilt starting in January 2019. We will meet the third Saturday of each month for nine months. There is a \$10 registration fee, and the first month will be \$5. Bring your block the next month completed and get your next block free. Of course life sometimes gets in the way, and if you can't come one month; no problem it is just \$5 to "buy back" in. Each month has additional blocks you can purchase to give you all the blocks needed to complete a 90" x 90" quilt top. To complete the top, you will only need 2 yards for the setting, border and binding. The set for this quilt is really nice and the borders add an additional wow factor to the quilt. Also, the story about the west each month is so much fun.

You will receive each month a block pattern, story and fabric for one block.

You get to see all of our new awesome merchandise.
