Chickadee Hollow Scrappers Club

The **Chickadee Hollow Scrappers Club** will be making “**the cutest little projects**”. This is a new program starting in October and you can sign up to be a **Lifetime Member** as long as our business is open or when you say no more! Perks of the club are that we will be doing a project every month, they will be fun, cute, scrappy, and inexpensive. This is the perfect program for you to join if you would like to make things for gifts, small home decorating items, little touches of color for areas in your home and for you to use up some of your scraps. We will also have scrap bags available for you to purchase. Most items will be available as Patterns, PDF's or Kits.

Sign up is by the 15th of October. The cost is \$5.00 a month or if you want a kit they could be up to \$15.00. We must have a card on file so that we can automatically deduct the monthly charge. There will be lots of perks in the program, such as access to the scrap bags, scrap exchanges, a members only card that will give you a 10% off any orders placed on our website that is not part of this program. AND other fun things that we have planned for our **Scrappers!** Be a Chickadee Hollow Scrapper and show off all of your goodies! The little Americana Pillow is an example of the kinds of things we will be making. You need to sign up now if you want to be a part of it, we will start Oct.15th, but we need to have a couple of weeks to get kits together and get everything set up. Some of you have already signed up, and have been waiting. We have had a few delays in getting started, but we are almost ready to go. We have updated our website and I think it will be more functional for us, so that had to come first. In your first package you will receive a cute little binder that will have all of the information you need to get ready for the program. It has a Welcome sheet, list of all the Scrapper Perks, your first pattern, membership card, etc.

Scrapping

Just a little bit about scrapping, scrapping has been around for years. Almost any quilter no matter how avid you are...has some scraps. Years ago they used old clothing to make scrappy quilts. While we probably won't be doing that, we may talk about it at some point, but most of the things we do will be from scraps of previously made quilts that are sitting in boxes in our closets and just waiting for someone to say, “I am going to rescue you!” Don't have any scraps, no problem, we will also have kits available for those who want to purchase them to make their projects. We will also have little scrap bags available from time to time that only people who are in the Scrappers Club will be able to purchase.

Everybody loves a good scrap quilt and there are tricks to making appealing scrap quilts, so you will be able to learn about that as well. We will also show you ways to organize and cut your existing scraps into usable pieces and sizes as well as organizing them into boxes, baskets or bags as you prefer. And we will be making a EPP scrappy quilt at some point along the way.

(EPP English Paper Piecing) We will have some GiveAWays, fun things, maybe a few scrappy recipes.

Sign Up: sign up can be done by calling us at 320-354-2456, or emailing us at csteff46@tds.net or infor@chickadeehollowdesigns.com

Here is the information we need:

Name

Address

Phone Number

Email address if you have one.

Credit Card information:

Initial charge will be \$5.00 for registration, (billed with first project) used to cover the binder cause etc.

There will be three ways to obtain your project patterns.

1. By mail, they will come punched for a three ring binder.
2. PDF Format, you will need to punch the holes yourself.
3. With a kit if you purchase kits.

There is the \$5.00 monthly fee, \$3.00 pattern or PDF fee, or the kit fee which **may vary** each month, however, they will never be over \$20.00 for any project, but I am guessing about \$15.00.

Feel free to call us at any time with questions.
